

Presentation Skills – Refresher Workshop

Increase your influence with students, colleagues and other stakeholders

Become more engaging when speaking to family, friends and the community

Enjoy greater audience support when presenting to students and others who are in a position to assess you

About This Workshop

Enjoy the experience with the course voted “Best Course” in the CPA’s Professional Development Program (Vic) for its 25,000 members

Offered by the Securities Institute in three states for 7 years

This workshop enjoys constant demand as a course for advanced presenters, yet is often adapted for newer practitioners in their careers

It is thematic in approach: the content is presented as themes that are easy to understand and retain

The coaching is individualised and private when appropriate about any aspect of a participant’s presentation

Available in flexible formats from three hours duration.

This program is designed to suit experienced presenters.
